P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In reply to the Office communication dated May 23, 2005, please amend the
application as follows:

that the gel, when formed, gives the appearance of "ice crystals"--meaning generically any and all forms of such "ice".

Apparently no one prior to applicants, produced any kind of an ice crystal appearance, and therefore this is what is generically claimed.

Reconsideration and allowance of all the claims, as amended, therefore appear to be in order and are thus respectfully requested.

Any and all costs incurred by this filing, including for any required extensions of time, petition for which is hereby made, may be charged to the deposit account, 18 - 1425 of the undersigned attorneys.

Respectfully submitted,

RINES AND RINES
